## A N I N V I T A T I O N

Sydney, May 1951

Dear Friends,

You have in the past taken a keen interest in my work and therefore I am sending you an invitation from the SYDNEY UNIVERSITY EXTENSION BOARD to attend my lecture on Wednesday the 15th of May, 1951 4 p.m. in the Wallace Theatre, the University.

This decision of the SYDNEY UNIVERSITY EXTENSION BOARD marks the crowning point of a 9 years long struggle carried out with sheer dogged and sometimes desperate determination, on a scheme, which to many looked like an obvious crackpot idea. Now appreciative letters and orders are coming in from Professors and Universities in the United States of America, Great Britain and elsewhere.

BERTRAND RUSSELL (who honours me with his continuous correspondence) is this World's foremost Authority on logical Symbolism. He wrote that anyone who materially assists the publicising of Semantography, "will be performing an important service to Mankind." You are asked kindly to implement Earl Russell's words by posting the enclosed invitations to your friends.

4 p.m. is the most convenient time for the Professors and Students. If this time seems inconvenient to you, consider that you left your office before on less important occasions. This is a significant event. A new work, the first fulfilment of Leibnitz's 300 years old prophecy, is being admitted into the Realm of Learning. People who are actively interested in new ideas for the benefit of Mankind, will be there, and this means YOU, doesn't it ?

In Friendship Yours

C.K.Bliss
