The Principal Librarian,

Dear Sir/Madam,

Please receive

- (1) Brochure No. 6 about SEMANTOGRAPHY, containing the favourable comment of Bertrand Russell, Lancelot Hogben, Carleton Washburne, and other scientists.
- (2) Letter from your colleague John Metcalfe, recommending the purchase of this "extensive work" and approving the price.
- (3) Order Blank Form.

Spending money on SEMANTOGRAPHY means, in Bertrand Russell's own words "performing an important service to mankind," and it is hoped you will do just this.

With thanks in anticipation,

Yours sincerely,

C. K. Bliss
